Department of Computer Science and Applications,

Panjab University, Chandigarh

Event: 'Mental Health Awareness'

DATE: 27-10-2023

Report

In a proactive initiative to prioritise student well-being. DCSA recently hosted an enlightening session in mental health and stress management. The interactive session by *Dr. Anoopinder Kaur, Clinical Psychologist* aimed to raise awareness about the importance of mental well-being, providing valuable insights on coping mechanisms for stress. Speaker delved into practical strategies, empowering students with tools to navigate the challenges of academic and personal life. Attendees actively engaged in discussions, fostering a supportive environment for open dialogue. This initiative underscores our commitment to nurturing a healthy campus community, recognizing the significance of mental health in academic success and over student development.
