Professor Indu Chhabra, Department of Computer Science,Panjab University, Chandigarh, did her Software Engineering with distinction from GNDU Amritsar and Ph.D. in field of Image Processing with Neural Networks. She got **"Young Scientist Award"** in Feb 2007 for her research in Character Recognition through Neural Networks. Her research interests cover Artificial Neural Networks, Data Mining and Software Engineering. Along with the University experience of more than 18 years, she has

- Two books for Post-graduate and Graduate classes.
- Two Chapters in International and National Book.
- 55 International and National publications with Four Best Research paper Awards.
- Two projects endorsed by DST and Panjab University.
- Guiding ten Ph.D. students in the field of Image Processing, Neural Networks, Data Mining and Software Quality Improvement.
- Member of Editorial Board of Research Publications for Journals:
    - **IEEE Transactions on Computers**
    - **IEEE Intelligent Systems**
    - **International Journal Of Science And Technology, USA**
    - **Research Journal of Science, Panjab University, Chandigarh.**

- **Chairperson,** Department of Computer Science, Panjab University, Chandigarh from Feb 2011 to Feb 2014.
- **Warden,** Mata Gujri Girls Hostel I, Panjab University, Chandigarh from May 2007 to June 2012.
- **Chaired and Judged various sessions** in International and National conferences and Seminars.
- **Sixty Invited Talks** for Refresher and Orientation courses run by Academic Staff Colleges as well as for conferences, seminars and UGC sponsored Programs.
- **Placement Officer** at DCSA, P.U., Chandigarh from Dec 2006 – Dec 2009, Dec 2014- Dec 2016.
- **Organized Symposium, Workshop and IT fests.**
- **Organizer member for Punjab University Rose Festival Prince and Princess Show.**
- Member, Panjab University Computer Purchase Committee, from Feb 2011 to Feb 2014.
- Member on **The College Development Council** April 1, 2015 –March 31, 2015.
- Member of **Board of Studies** in Computer Science, MBACIT, Nano Technology for Panjab University, Punjabi university (Computer Science) and Maullana University(Computer Science).
- Member of **Research Degree Committee** in Statistics and Computer Science, Panjab University, Chandigarh
- Member of various Selection, Inspection and Professional committees and University bodies, Board of Control, Administrative, Academic and Technical Committees of Department of Computer Science, Punjab University, Chandigarh.
- Life member of "Computer Society of India", Mumbai and Punjab Science Congress Association, Patiala.

Name	Indu Chhabra
Designation	Professor
Contact Address	Department of Computer Science and Application, Panjab University,Chandigarh - 160014, India.
e-mail	indu_c@pu.ac.in, chhabra_i@rediffmail.com. 0172-2534066(O), 0172-2728410 (R), 98152-30664 (M).

Education and Professional Experience

MCA	Guru Nanak Dev University
	Marks: 78% **(University Medal for standing Second in the University)**
Ph.D.	Punjabi University, Patiala
	Young Scientist Award by Punjab Academy of Sciences, **Feb 2007 for "Recognizing Character Objects through Invariant Techniques"**
Assistant Professor (1996 -1998)	DAV College, Batala and DAV College Bathinda
Assistant Professor (1998-2007)	Department of Computer Science and Applications, Panjab University, Chandigarh - 160014, India
Associate Professor (2007-2014)	Department of Computer Science and Applications, Panjab University, Chandigarh - 160014, India
Chairperson (2011-2014)	Department of Computer Science and Applications, Panjab University, Chandigarh - 160014, India
Warden (2007-2012)	Mata Gujri Girls Hostel 1, Panjab University, Chandigarh.

Research Interests

Neural Networks, Image Processing, Data Mining and Software Engineering

Awards, Honors and Academic Distinctions

S.N.	Title	Agency	Award
1.	Stood Second in Software Engineering	Guru Nanak Dev University, Amritsar, India.	**University Medal**
2.	"Recognizing Character Objects through Invariant Techniques"	Punjab Academy of Sciences, Feb 2007	**Young Scientist Award**
3.	"Software Code Analysis through Quality Parameters– A Case Study"	6th Chandigarh Science Congress, Feb 26-28, 2012.	**Gold medal** for Best paper award
4.	Performance Analysis of Support Vector Machine and Neural Network Classifiers for Handwritten Character Recognition of Gurumukhi Characters"	National Chandigarh Science Congress, Panjab University, Chandigarh, March 01-03, 2013.	**Best Research Paper Award**
5.	"Human Face Recognition through Statistical Representations"	8th National Chandigarh Science Congress on "Accelerating Scientific Research through Interaction, Inspiration, Invention and Innovation", Panjab University, Chandigarh, Feb 26-28, 2014.	**Best Research Paper Award**

International and National Book Publications

S.N.	Title with page no.	Book Title, editor & publisher	ISSN/ISBN No.
1.	"Insight into Microprocessors (Principles, Implementation and Technology) Total Pages: 412, Dec 2012	AP Publishers, Jalandhar-Delhi (National Publisher)	ISBN 81-89313-74-6

2.	Chapter: Solvency of Intellectual Neural Systems: A Case Study**",** pp 839-844 Edition 2013.	Pearson Education (International Publisher)	ISBN 978-81-317-89991-9,
3.	IT Applications in Commerce, Text Book for M.Com (Ist Sem) 2012.	University School of Open Learning, Panjab University, Chandigarh	Panjab University, Chandigarh
4.	Chapter: **"**Evaluating On-line Web Enabled User Management Systems through Bridging the Skill-Gap".Edition 2015.	"Make in India: Retrospectives and Perspectives". Bharti Publications, New Delhi. (National Publisher)	ISBN: 978-93-85000-12-6.

Research Publications : Total 55

International Publications (34)

* 13 Research Publications in International Journals.
* 21 Research Publications in Proceedings of International Conferences.

National Publications (21)

* 2 Research Publications in National Journals.
* 19 Research Publications in National Conferences.

Research Projects

S.N.	Title	Agency	Period
1.	Design and Implementation of Algorithms and Software Package for Image Processing with Neural Networks	Panjab University, Chandigarh. (Under PURSE Scheme)	3 years
2.	Development of Machine Recognition System for Hindi and Punjabi	DST, Chandigarh.	2 years

Highlight of Research Work

Performing and guiding research for the past twenty years in the areas of Artificial Neural Networks, Image Processing and Pattern Recognition, Data Mining and Software Quality. The main focus is on applied and empirical research. In Artificial Neural Network, the emphasis is to design and develop intelligent systems for bio metric system of Face Recognition. In Image processing and Pattern recognition, the research focus is to study and analyze various issues such as handling of huge dataset, feature selection and feature extraction. Diverse feature extraction techniques are developed and implemented using Support vector machines and fuzzy systems for character recognition of printed and good-quality hand written text.

Referee for Research Journals

For peer-reviewed indexed international and national journals –

- **IEEE Transactions on Computers**
- **IEEE Intelligent Systems**
- **International Journal Of Science And Technology, USA**
- **Research Journal of Science, Panjab University, Chandigarh**

Ph.D. Theses Guided/Under Guidance

Near Completion: 3, Under Guidance: 7

MCA and M. Tech Theses Guided

MCA Projects: 225, M. Tech Theses: 25

Memberships

- Member of '**The Indian Science Congress Association'**
- Life Member of **'Computer Society of India'**
- Life Member of **'Punjab Academy of Sciences'**

Training Programs Coordinated

1. Delivered lectures to B.E., M.B.A., M.Sc. (Maths) of P.U., Chandigarh.
2. Delivered lectures in Evening Course organized by DCSA to the faculty and staff members of correspondence studies, PU.

Administrative and Academic Affiliations

1. Chairperson, Department of Computer Science, Panjab University, Chandigarh from Feb 2011 to Feb 2014.
2. Warden, Mata Gujri Girls Hostel I, Panjab University, Chandigarh from May 2007 to June 2012.
3. **Placement Officer** at DCSA, P.U., Chandigarh from Dec 2006 – Dec 2009, Dec 2014- Dec 2016.

4. Symposium Organizer at FIM, International conference on Interdisciplinary Mathematics, Statistics and Computational Techniques, Panjab University , Chandigarh, December 15-17, 2012.
5. Sectional President of Mathematical Sciences Section at CHASCON 2012, Panjab University, Chandigarh, Feb 26-28, 2012.
6. Organizer for Computational Sciences Section, CHASCON 2013, Panjab University, Chandigarh, March 1-3, 2013
7. Sectional President of Mathematical/Computational Sciences at CHASCON 2014, P.U., Chandigarh.
8. Organized Two-day Workshop on Curriculum Revision, Sep 2013.
9. Convener of Rose Prince/Princess show for 1st, 2nd, 3rd, 4th and 5th Rose Festival, 2009, 2010, 2011, 2012, 2014.
10. Chaired and Judged various sessions in International and National conferences and Seminars.
11. Resource Person to deliver lectures for Refresher and Orientation courses run by Academic Staff Colleges as well as for conferences, seminars and UGC sponsored Programs.
12. Member, Panjab University Computer Purchase Committee, from Feb 2011 to Feb 2014.
13. Member on The College Development Council April 1, 2015 –March 31, 2015.
14. Member of various Inspection and Selection committees for Universities and Colleges.
15. Member of various Hostel concerned committees.
16. Convener of Board of Control, Board of Studies from 2011-2014 of Department of Computer Science and Applications, Panjab University.
17. Member of organizing committee for Seminar on "Emerging Trends and Technologies in Information Technology", DCSA, P.U., Chandigarh, Mar. 11-12, 2004.
18. Member of Accommodation Committee, NanoSciTech-2012, February 16-18, Panjab University, Chandigarh.
19. Member of Society for welfare of MCA students.
20. Member of **Board of Studies** in Computer Science, MBACIT for Panjab University, Punjabi university (Computer Science) and Maullana University(Computer Science).
21. Member of **Research Degree Committee** in Statistics and Computer Science, Panjab University, Chandigarh
22. Member of various Selection, Inspection and Professional committees and University bodies.
23. Member of Board of Control, Administrative, Academic and Technical Committees of Department of Computer Science, Punjab University, Chandigarh.

Sessions Chaired in Conferences, Seminars and Workshops

1. Key-note address on Two-day National Seminar on "Web Based Technologies : Present and The Future", St. BEDE's College, Shimla, April 30-May 1st, 2015.

2. Chaired a session with Expert talk on Neural Networks, National Workshop on " Research Trends in Computational Techniques", DAV college, Jalandhar, April 18, 2015.
3. Chaired a session at Chandigarh Administration sponsored Two-day Workshop on "National seminar on "**Teaching and Learning: Curriculum, Pedagogy and Employability" Post Graduate Government College for Girls, Chandigarh, December 5-6, 2012.**
4. Chaired a session at UGC sponsored **National Seminar on Image Processing, DAV College, Batala, August 5, 2012.**
5. Seminar on "**The Mathworks: MatLab",** Panjab University, Chandigarh, **July 18, 2012.**
6. Chaired a session for **National Conference on Correspondence Education to Open & Distance Education: 50 years of Revolution and Challenges Ahead, University School of Open Learning, Panjab University, Chandigarh, June 6-7, 2012.**
7. Chaired a session for 6th **National Chandigarh Science Congress, Panjab University, Chandigarh, February 26-28, 2012.**
8. Chaired a session for UGC sponsored National seminar on "**Web Information Systems and Technologies", Govt. college for Girls, Chandigarh, November 9, 2011.**
9. Seminar on "**Emerging Trends in Academic Librarianship",** Panjab University, Chandigarh, **September 22-23, 2011.**
10. Chaired a session for National Seminar on **Millennium Development Goals and National Mission on Education through ICT: Challenges for the Universities, Panjab University, Chandigarh, September 7-8, 2011.**
11. Chaired a session at **CHASCON 2012, Panjab University, Chandigarh, Feb 26-28, 2012.**
12. Chaired a session for UGC sponsored National seminar on "**Web Information Systems and Technologies", Govt. college for Girls, Chandigarh, November 9, 2011.**
13. Chaired a session at UGC sponsored **National Seminar on Image Processing, DAV College, Batala, August 5, 2012.**
14. Chaired a session for **National Conference on Correspondence Education to Open & Distance Education: 50 years of Revolution and Challenges Ahead, University School of**

Open Learning, Panjab University, Chandigarh, June 6-7, 2012.

Invited Lectures: Key note address and expert lectures for various International and national conferences, seminars and Refresher and orientation courses (Around 60).

Goal of My Profession:

Teacher is not mere an academician, one should be a Moral supporter and best guide like one is for their own children. Along with ability to handle the technicality of the syllabi to solve real world problems, students should be good human beings to bring laurels to their family, Institution, Society and their Country. This has been achieved and is improving day by day through the formal as well as informal two way communication on the issues other than the academics, regularly charging and motivating them to inculcate atleast few human values and ethics and making them active participants for the practical execution of those beliefs and principles.

Thanks and Deep Regards.
