Department of Computer Science and Applications
Panjab University, Chandigarh

CHASCON-2023
Mathematical Sciences Section: Department Events

Panjab University organized Chandigarh Science Congress from 12-14 October, 2023. On the first day, DCSA along with Department of Statistics set up a stall with theme FUN IN STATISTICS AND COMPUTER SCIEMCE in EXPO CHASCON 2023. The students showcased the projects developed by them to the visitors.

The Sectional events were conducted on 13th October, 2023 which started with the expert talk by Dr. Gaurav Prakash, from Department of Medical Oncology, PGI Chandigarh who talked about "Understanding Cancer. Its cause, prevention and treatment". The second expert talk was delivered by Prof. Sanjeev Sofat, Department of Computer Science and Engineering, PEC, Chandigarh who discussed about "Influence of Mathematics in Computer Science".

The oral presentations for Department of Computer Science and Applications were conducted in lab 2 of DCSA. Prof. Savita Gupta and Prof. Naveen Aggarwal from UIET were the judges for the presentations. Ms. Mudita Kohli was awarded best oral presentation award.
