Kargil Vijay Diwas was celebrated in Department of computer Science and Applications to commemorate the victory and honor the sacrifice of the soldiers. Competitions like Quote Writing , Quiz were organized amongst the students.

A joint plantation drive was recently organized by the CIL, Computer Centre and DCSA. This initiative aimed to contribute to environmental conservation and promote the protection of green lives through the planting of trees.

The joint plantation drive was a step towards enhancing environmental sustainability and improving the quality of life. The collaboration between CIL, Computer Centre and DCSA exemplifies our collective responsibility to protect and nurture our planet. We look forward to the continued growth of these trees and the positive impact they will have on our environment.

DCSA and the Computer Centre recently held a farewell event to honor Sh. Guldeep, who is retiring after years of dedicated service. The event was organized to express heartfelt appreciation for his significant contributions to both the Computer Centre.

The farewell event was a fitting tribute to Sh. Guldeep's years of dedicated service. It provided an opportunity to come together, celebrate his career, and convey their appreciation for his invaluable contributions. As Sh. Guldeep embarks on his retirement, we extend our best wishes for his future endeavors and well-being.

Admissions are set to begin for the First Year of MCA and MSc.
The admission process will be concluded and August and the freshman will be joining the DCSA family.

The placement cell plans to conduct multiple placement drives in August. Students should stay active and be prepared for any upcoming drives
