Workshop on "Challenges in Entrepreneurship and Life Experiences"

On **22nd March, 2022**. Mr. **Munish Jauhar**, Founder of Gray Cell Technologies collaborated with **Department of Computer Science & Applications, Panjab University** to deliver a session on the above topic.

About the speaker:

He is an alumnus of DCSA, batch - 2000.His list of achievements is sure to mesmerise everyone. He has been awarded with the prestigious "Asia Pacific Entrepreneurship Award" for the Most Promising Entrepreneur in the year 2011. He is the current vice chair of NASSCOM, Chandigarh and Punjab Chapter. He ranked at 26 th in the list of top 100 Angel Investors published by Fortune India.

About the event:

He was welcomed with a token of gratitude amidst claps of appreciation. He discussed with the student's different excerpts from his life and how those life experiences have moulded him into a person, he is today. He clearly justified his words "Entrepreneurs are born not made". He encouraged students to take risks after all "Failures are the stepping stones to success". He even talked about the key points which should be kept in mind while appearing for an interview. Thereafter, he threw light on the latest technologies prevalent in the IT industry. He laid major stress on the fact that work-life balance is a must and one should never give up on their hobbies. He accentuated that every human being is different and one should always "Run his/her own Race" at their own pace. Lastly, he concluded with the fact that demeanour of the person is what makes him/her stand out from the crowd. It was really an enlightening session. Truly,"Experience is the best teacher". We are really grateful that honourable Sir took out time from his busy schedule and addressed us. His remarkable presence will be cherished forever
