Department of Computer Science and Applications

In Collaboration with

Rashtriya Uchchatar Shiksha Abhiyaan (RUSA)

Organized a

A Skill Enhancement Course/Workshop on "Programming in Python"

Report:

Python has become one of the most popular programming languages in the world in recent years. It's used in everything from machine learning to building websites and software testing. It can be used by developers and non-developers alike. Thus, **Department of Computer Science & Applications** in collaboration with RUSA organized a comprehensive Skill Enhancement Course/Workshop on the topic of **Programming in Python** from 24th April 2023 to 30th April 2023. The Skill Enhancement Workshop was inaugurated by **Hon'ble Registrar Prof. Y. P. Verma** in the auspicious presence of **Prof. (Dr) Naveen Kumar,** Dean, Faculty of Mathematical Sciences, HOD, Dept. of Computer Science**,** University of Delhi, New Delhi and **Prof. (Dr.) Sonal Chawla,** Fellow, PU Senate, Professor, Department of Computer Science & Applications, Honorary Director, Centre for IAS and other Competitive Examinations and Principal Investigator RUSA Project**. Dr. Rohini Sharma,** Chairperson, Department of Computer Science and Application delivered a welcome address on the commencement of the workshop.

This was 15 hours introductory workshop on python programming aimed for Undergraduate, Post Graduate, Research Scholars Faculty and everyone who wanted to learn Python Programming Language from the very basics.

The speaker for the inaugural day **(24th April, 2023)** of the course was **Prof. (Dr) Naveen Kumar, Dean, Faculty of Mathematical Sciences, HOD, Dept. of Computer Science, University of Delhi, New Delhi.** who illustrated all the core concepts of python to all the participants very diligently. The talk covered introduction to Python, history and features of python, working with various IDEs and code editors, Basic syntax, variables, data types, operators and expressions.

Ms. Supreet Kaur Mann comprehensively covered all the topics ranging from Decision Control Statements, String handling in Python to all the topics regarding Regular Expressions on **25th April 2023.**

On **26th April, 2023 Dr. Rohini Sharma**, Chairperson, Department of Computer Science & Applications, Panjab University Chandigarh illustrated Python data types, working with List, tuple, sets and dictionaries along with its operations like adding, removing, comparing, sorting copying and important methods.

The modular approach of python programming was explained by **Dr Anuj Kumar on 27th of April 2023**. He illustrated the use of functions and modules to make the code more efficient and reduce the complexity. He explained functions and Modules including defining function, calling a function, function arguments, Global keyword, Recursive functions, Lambdas function etc.

Dr. Jasleen Kaur Bains on **28th April 2023** covered introduction to file handling, types of files, opening and closing files, reading and writing Files, File positions, Renaming and Deleting Files and various Directory Methods.

Dr Anuj Sharma on **29th April 2023** covered core concepts of Object Oriented Programming, its different features and theory was backed by the practical session which marked better understanding of the topic.

With this, the Sessions and the talks delivered during the course of a week came to a halt. It was really a pleasure to listen to the expertise and valuable insight of all the Speakers. The workshop was of great importance especially for the beginners. The basic concepts of Python Programming and the techniques comprising it was demonstrated along with the practical implementation.

About the University

One of the oldest universities in India, the Panjab university (PU) initiated at Lahore in 1882, has a long tradition of pursuing excellence in teaching and research in science and technology, humanities, social sciences, performing arts and sports. The university supports excellence and innovation in academic programs, promotes excellence in research, scholarship and teaching. The university is committed to attract and support the best students and faculty, who excel at teaching and research. In Independent India, Panjab University with its Campus at Chandigarh and nearly 188 colleges in Panjab state and Chandigarh U.T., has served various societal needs with distinction.

About the Department

The Computer Culture at the Panjab University dates back to 1966. An independent Centre for Computer Science and Applications (now a full fledged department) was set-up in 1983. The department aims at ingraining the spirit of ingenuity, innovativeness and technical competence in the students through rigorous competition and regular guidance. The department also caters to the need of users in the region and organizes programs for teaching and research communities.

About the Course

The proposed 15 hours course/workshop is to equip participants with a comprehensive understanding of Python Programming language, covering basics of Python, Data types, Loops, Conditional Statements, Data Structures as well as more advanced topics such as Object Oriented Programming, Exception Handling and File handling. By the end of this workshop, participants will have strong foundation in Python and shall be able to further explore in the field of Data Science, Web Development and automation..

Duration : 15 hours
Mode : Online
Timings : 4 pm to 6 pm
Dates :24th - 30th April 2023

Registration Link:
https://forms.gle/rhA24NXLAd8MWmxu8
Last date to register is 23-04-2023 till 5:00pm
(The link of the workshop will be shared with registered participants selected on First Come First Serve basis)

Chief Patron

Prof Renu Vig,
Hon'ble Vice Chancellor,
Panjab University, Chandigarh

Core Contents

- Basics of Python
- Strings in Python
- Python Data Structures
- Modules
- Classes and Objects
- Decision Control Statements
- Regular Expressions
- Functions
- File Handling
- Exception Handling

Speakers

- Prof. R.K. Singla (DCSA PU)
- Prof. Sonal Chawla (DCSA PU)
- Dr. Jasleen Kaur (DCSA PU)
- Dr. Anuj Kumar (DCSA PU)
- Ms. Supreet Kaur (DCSA PU)
- Prof. Indu Chhabra (DCSA PU)
- Prof. Anu Gupta (DCSA PU)
- Dr. Rohini Sharma (DCSA PU)
- Dr. Anuj Sharma (DCSA PU)

Prof. (Dr.) Sonal Chawla,
Principal Investigator,
RUSA Project,
Skill Enhancement Courses in Computer Science and Applications

Prof. (Dr.) Rajiv Puri,
RUSA Coordinator,
Chairperson,
Department of Physics,
Panjab University Chandigarh

Dr. Rohini Sharma,
Chairperson, DCSA

Dr. Jasleen Kaur Bains,
&
Ms. Supreet Kaur Mann
Assistant Professor, DCSA
Course Coordinator

Department of Computer Science and Applications
Panjab University, Chandigarh.

Panjab University Chandigarh

A SKILL ENHANCEMENT COURSE/ WORKSHOP ON PROGRAMMING IN PYTHON (Online Mode)

24th - 30th April, 2023

Organized by
Rashtriya Uchchatar Shiksha Abhiyan (RUSA)

in association with
Department of Computer Science & Applications (DCSA), Panjab University, Chandigarh, India

A SKILL ENHANCEMENT COURSE/WORKSHOP ON PROGRAMMING IN PYTHON

Organized By

Rashtriya Uchchatar Shiksha Abhiyan (RUSA)

in association with

Department of Computer Science & Applications, Panjab University, Chandigarh

Chief Patron

Prof. Renu Vig,
Hon'ble Vice Chancellor,
Panjab University, Chandigarh

Keynote Speaker

Prof. Naveen Kumar,
Dean, Faculty of Mathematical Sciences,
HOD, Department of Computer Science,
University of Delhi

ORGANIZING MEMBERS

Prof. (Dr.) Sonal Chawla,
Principal Investigator,
RUSA Project,
Skill Enhancement Courses in
Computer Science & Applications,
Professor, DCSA

Dr. Rohini Sharma,
Assistant Professor,
Chairperson, DCSA

Prof. (Dr.) Rajiv Puri,
RUSA Coordinator,
Chairperson,

Panjab University Chandigarh

Dr. Jasleen Kaur Bains,
&
Ms. Supreet Kaur Mann
Assistant Professor, DCSA
Course Coordinators

RUSA Sponsored SKILL ENHANCEMENT COURSE on

"PROGRAMMING IN PYTHON"

Organized under RUSA in association with DCSA

PROGRAM SCHEDULE	SPEAKER	TIMING
Welcome Address	*Dr. Rohini Sharma* *Chairperson DCSA*	*3:45 PM to 3:50 PM*
About the Course	*Dr. Jasleen Kaur Bains* *Course Coordinator*	*3:50 PM to 3:55 PM*
Inaugural Address	*Hon' VC Madam* *Prof.(Dr) Renu Vig/* *Registrar* *Prof.(Dr) Yajvender Pal Verma*	*3:55 PM to 4:00 PM*
Introducing the Guest Speaker	*Prof.(Dr) Sonal Chawla* *Principal Investigator* *RUSA Coordinator*	*4:00PM to 4:05PM*
Keynote Speaker and Guest of Honour	*Prof. (Dr) Naveen Kumar* *Dean, Faculty of Mathematical Sciences* *HOD, Dept. of Computer Science* *University of Delhi* *New Delhi*	*4:05 PM to 4:10 PM*
Vote of Thanks	*Mrs. Supreet Kaur Mann* *Course Coordinator*	*4:10 PM to 4:15 PM*
