Training and Placement Cell (TPC) Orientation

On 12th September 2023, The Training and Placement Cell (TPC) Orientation took place at Department of Computer Science and Application (DCSA), Panjab University.

The coordinator, Akanksha Kohli provided a concise introduction of the training and placement cell, elucidating the activities and initiative undertaken by the cell.

The Training and Placement Cell Orientation program was designed to provide guidance, information, and support to the 1st year MCA and MSC students. This initiative was entirely conceived, planned, and executed by the senior batch students under the guidance of the faculty.

The primary objective of this orientation program was to introduce the junior students to the various responsibilities and resources provided by the Training and Placement Cell and to facilitate interactions between the senior and junior students, promoting knowledge sharing and mentorship. It serves as a bridge between department and corporate world.

The TPC coordinator formally outlined the organizational structure and responsibilities within the TPC, comprising the Co-ordinator, Co-coordinator, Communication team, Hospitality team, Database team, Finance team to provide a comprehensive overview.

The orientation program received overwhelmingly positive feedback from the students. The interactions, discussions, and shared experiences during this orientation have sown the seeds of strong bonds among students. Overall, the Training and Placement Cell Orientation was a great success.
