Christmas and New Year Celebration & Charge Handover Ceremony of Training and Placement Cell of DCSA.

23.12.2022

Report

In DCSA, this year, Santa came on Dec. 23. He was welcomed with a great celebration. The event began at 11 am with a lamp lighting ceremony by teachers. We felt this ceremony bestowed the grace of the Lord Jesus. Teachers were then invited to cut the cake to celebrate Christmas and New Year together. A group of students sang beautiful carols which made the ambience even more lovely. All the students then sang "Merry Christmas" while teachers cut the cake. The room danced to the sounds of laughter that were all around. To make the event more vibrant, the students came with their outstanding performances. The performances included the art of music which has the taste of Punjabi folk , 90's Bollywood and the 21's of course. All the students appraised the performers with their great applause. After that, teachers called out the names of TPC 2022 Aluminise to give them mementos. It was such an overwhelming moment for TPC Aluminise to receive acknowledgement for the hard work they performed throughout the year. Few members did go into tears as well. It was a moment of joy for Aluminise, teachers and just about everyone. The coordinator of TPC 2022 shared the memories of the year and expressed how each one in her team was like a finger in a hand. Next came the most awaited part: refreshments. Refreshments were offered to the students, even when it wasn't a like a feast, still the joy that students felt in these little things made it no less. The students thoroughly enjoyed their snacks. Thereafter came the most fun part of the event, which was games. Musical chairs and Treasure Hunt were a part of fun session. The enthusiasm with which each one participated was worth watching. It was so involving and fun both for the participants and for the audience. The event ended with the emotions of love, life and laughter.

Merry
Christmas
AND HAPPY NEW YEAR
2023
Invitation
• CAKE CUTTING • TREE DECORATION
• GAMES • FUN ACTIVITIES
FRIDAY, DECEMBER 23
FROM 10 AM
DCSA
MCA 1st Evening
