Orientation Programme 2025

The Department of Computer Science and Applications (DCSA), Panjab University, successfully organized a two-day Orientation Programme on August 25th and 26th, 2025 to welcome the new batch of MCA and M.Sc. Computer Science (Hons.) Specialization in Data Science students (Batch [UTF-8?]2025â€“2027). The event aimed to introduce the students to the [UTF-8?]departmentâ€™s faculty, academic curriculum, student clubs, and available facilities, while also familiarizing them with the broader resources and opportunities offered by Panjab University.

The first day of the programme commenced with a formal Welcome Address by Dr. Anuj Sharma, Chairperson, who extended a warm greeting to the new students and shared his vision for academic innovation and holistic development. This was followed by an Academic Curriculum Overview presented by Dr. Jasleen Kaur Bains. Representatives of the Cultural, Editorial, IT, and Environment clubs introduced their activities, encouraging active participation and student engagement. The Training and Placement Cell (TPC) highlighted its achievements and shared its future plans for career growth opportunities. Later in the day, the students visited the prestigious Dr. A.P.J. Abdul Kalam Computer Centre, where they were introduced to the state-of-the-art IT infrastructure and services by Prof. Sonal Chawla, Director of the Centre, and her team. The experience offered valuable exposure to real-world computing environments, leaving a strong impression on the newcomers.

The second day featured an inspiring motivational talk by Prof. R.K. Singla, Senior Professor of DCSA, followed by a session introducing the various facilities available at Panjab University. Senior students interacted with the new batch, sharing their experiences, technical projects, and creative talents, which reflected the dynamic and collaborative culture of the department. The programme concluded with an interactive Ice-Breaking Session, featuring games, performances, and a talent hunt that encouraged bonding and camaraderie among the students.

The Orientation Programme 2025 was efficiently coordinated by the cultural committee under the guidance of Dr. Jasleen Kaur Bains and Dr. Balwinder Kaur, whose efforts ensured the smooth execution and success of the event.
