Curriculum Vitae (Summary)

Dr. Kavita Taneja

W/o Dr. Harmunish Taneja,
House No. W-6, PU Campus
Sector 14, Chandigarh.
Mail Id: kavitatane@gmail.com, kavitataneja@pu.ac.in
Ph. 096468 93072

SUMMARY

- Total Teaching and Administrative **Experience is 18 Years approx.**
- **Ph.D. Computer Science and Applications, M.Phil in Computer Science, M.C.A. and B.Sc. (Hons.) Physics**
- **Book Edited** - Computational Sanskrit: Issues and Challenges.
- **Book Authored**: Computer Applications, Bharat Publisher, New Delhi
- **Total Number of Publications: 50^{+} (including Elsevier, IEEE, ACM, Springer and others)**
- **Guided 06 Research Scholars:** PhD (01) M.Phil.(05) and guiding 04 Ph.D. Scholars at DCSA, Panjab University, Chandigarh.
- **Reviewer, Journal of Supercomputing, Springer USA.**
- **Reviewer, International Journal of Information Retrieval Research, IGI-Global, USA.**
- **Reviewer, Mobile Networks and Applications, Springer, USA.**
- **Reviewer, International Journal of Service Science, Management, Engineering, and Technology, USA.**
- **Reviewer, International Journal of System Dynamics Applications, USA.**
- **Reviewer, Book Chapters, IGI-Global, USA.**
- **Member, International Association of Engineers**.
- **Member, Technical Review Committee,** International Journal of Computer Science & information Security (IJCSIS), USA.
- **Member, Scientific Committee & Editorial Review Board** on Engineering & Physical Sciences, World Academy of Science, Engineering & Technology (WASET).
- **Member, Technical Review Committee,** Journal of International Journal of Computer Networks & Communications (IJCNC), AIRCC.
- **Member, Program Committee,** Academy & Industry Research Collaboration Center (AIRCC).
- **Member, Technical Review Committee,** Journal of Engineering & Technology Research (JETR), Academic Journals.
- **Member, Technical Review Committee**, Journal of Engineering & Computer innovations (JECI), Academic Journals.
- **Member, Technical Review Committee,** International Journal of Computer Engineering & Research (IJCER), Academic Journals.

- **Member, Technical Review Committee,** Second International Conference on Computing Sciences (ICCS); **Elsevier**.
- **Member, Technical Review Committee,** International Conference on Electronics & Optoelectronics (IJCEOE-2012).
- **Member, Technical Review Committee,** Turing100 - International Conference on Computing Sciences (ICCS).
- **Research Coordinator (Ph.D., M.Phil.)**, M.M. University, Mullana (Ambala).
- Attended **30^{+} Workshops / STC's** in various reputed Institutes including **IIT Bombay, IIT Roorkee, NITTTR, Chandigarh, and Wipro**.
- Topped the school and college in 10th, 12th, Graduation, MCA **(Merit Throughout).**
- Recipient of **National Scholarship for Reasons of Outstanding Academic Performance and for being among top 0.1% of Successful Candidates** of Delhi Secondary School Examination in Science with Practical, Roll No. 6327989, June 30, 1994.
- **Convener / Organizing Secretary / Coordinator for various Conferences / Seminars / Webinars**.
- Got the **Letter of Recommendation** from Department of Electronics and Computer Engineering, **IIT Roorkee**.
- Bagged **Letter of Appreciation** in the PTU Sponsored FDP **"Use of Technology in Teaching Learning Process"**.
- **Appreciation Letter, from Pro Vice Chancellor -** MMU, **Principal -** MMICTBM for the remarkable contribution in Scientific / Annual Technical Fest.
- Member **Placement Committee, Academic and Administrative Committee**, **Swachchta Committee**, DCSA, PU, Chandigarh
- **Warden**, Girls Hostel 4, PU, Chandigarh
- **Coordinator, Tech Fest, DCSA,** Panjab University, Chandigarh.
- Former Member, **Academic Council,** MMICTBM, MMU, Mullana.
- Former Member, **Board of Studies,** MMICTBM, MMU, Mullana.
- Former Member, **Faculty of Engineering & Technology**, MMU, Mullana.
- Delivered **EDUSAT** lectures for Computer Science, Panchkula, Haryana
- Attended **Orientation Course and Refresher Course** at PU, Chandigarh.
- **1st POSITION** in Vaad-Vivaad Pratiyogita, Organised by Dainik Bhaskar, 2014.

- **Ph. D. in Computer Science & Applications,** Thesis titled "**Simulation Models for Computing in Mobile Ad hoc Networks**" under the guidance of Prof. (Dr.) P.K. Suri, Former Dean, Faculty of Sciences, Former Dean, Faculty of Engineering and Technology, and Former Chairman, Department of Computer Science & Applications, Kurukshetra.University, Kurukshetra, Haryana, India.
- **M. Phil. in Computer Science,** Thesis titled "**NS2 based design of routing framework for Mobile Ad Hoc Networks**" under the guidance of Prof. (Dr.) R. B. Patel, Former Prof. and Head, Department of Computer Science and Engineering, M.M.E.C., M.M. University, Mullana, from Alagappa University, Tamil Nadu, India.

Expert Talks Delivered

- **Expert Talks in the area of**
  - Mobile Computing: Issues and Challenges
  - Impact of Mobile Communication in Present Technical Era
  - Simulation Tools and Applications
  - Recommender System
  - Image Processing for improvement of Mobile Applications
  - Natural Language Processing
  - Information Retrieval
  - Energy efficiency in Ad-hoc Networks
  - ..... and many more
- **Resource person for Workshop on**
  - Quantitative Methods and Computer Applications
  - Engineering Technology and Computer Applications
  - Use of Information and Communication Technology in Teaching Learning Processes
  - Data Science, Statistical Tools and analysis
  - ..... and many more

Dr. Kavita Taneja
