To celebrate the International Women's Day, a commendable event was organized by the students of the department itself. It started at 10 in the morning with various parallel-going events on theme **"Gender Equality"** like **Rangoli making, e-Poster/Collage making, Slogan Writing, Extempore**. Students, taking part in various events, worked with tremendous zeal and enthusiasm that it led to tough call for all judges, Prof. Anu Gupta, Dr. Rohini Sharma, and Dr. Anuj Kumar, Mrs. Balwinder Kaur and Dr. Kavita Taneja to choose the best amongst all. The students excellently managed to give thought provoking messages regarding **Women Empowerment and Gender Equality** through their art!

Also, alumini of the department and an International Rifle shooter of India, Nina Chandel, graced the event with her presence. She has represented India at international level in 30th Summer Universiade, Italy, Europe-2019 in .177 Air Rifle Peep sight event and won a bronze medal. Nina has represented India 3 times and bagged a medal once. She has 52 gold, 28 silver and 21 bronze medals at national and international level. She was felicitated by the President, Ram Nath Kovind. She has also been awarded the Best Player of the Year twice in a row. Chairperson welcomed her with a bouquet of flowers, a certificate and Award of Appreciation.

Even Saturday, a non-working day, could not lower the enthusiasm of the students or the staff members. Apart from being part of the various planned competitive events, students also voluntarily presented their dance performances, poetries, songs, violin performance, presentation on some great women personalities, and so much more. All this contributed in making the event a huge success. Few glimpses of the event are as below:
