REPORT OF
TWO DAYS WORKSHOP ON PERSONALITY DEVELOPMENT AND SOFT SKILLS

Training and Placement Cell, DCSA conducted 2 Days Workshop in collaboration with Central Placement Cell, Panjab University on 10th and 11th February 2022.On the first day of workshop the **first session** was focused on **Personality Development** conducted by **Dr. Manvinder** .She has 19 years of experience in corporate training and teaching .The session emphasized on the steps that could be taken to develop and enhance one's personality to make him/her stand out from the crowd. She also encouraged the participants to take up the Myers-Briggs personality test and elaborated the 16 personality types. The session ended with a fun and engaging activity i.e on the spot Story Telling Activity. Personality Development Session was followed by the **second session** on Resume **Writing** by **Prof. Deepti Gupta**. She is a professor in the Department of English and Cultural Studies with an experience of 36 years. The Resume Writing session covered all the nuances of writing a resume wherein explanation of each and every section of resume was covered with minute details. The major differences between CV and resume were also addressed. The handouts of the session were also provided to students which will act as a beneficial resource before their interviews. On the second day of workshop**, Ashish Jain**, founder of iTinker held a session on **Learning Skills to be Future ready**. He talked about the new age skills for Gen-Z like Full Stack Development, Data Science, Block Chain Development, Expertise in Metaverse etc. The workshop concluded with a session on **Interview Skills** by **Dr. Sanjiv Gupta**, Consultant and Industry Expert. He elucidated on the dos and don'ts of an interview and how one should present themselves in an interview. Tactics to answer Frequently Asked Questions like Strengths, Weaknesses, Why should we hire you? were also touched upon by the mentor. It was the first workshop of the year 2022 conducted successfully by Training and Placement Cell. More such workshops will be conducted in future as well for overall development of the students and making them Industry ready.
