Panjab University Chandigarh.

Webinar on

Opportunities and Challenges of Machine Learning Based Solutions

Report

A webinar on '**Opportunities and Challenges of Machine Learning Based Solutions**' was organized by the Department of Computer Science and Applications, Panjab University in collaboration with Panjab University Swami SarvanandGiri Regional Centre, Hoshiarpur on October 27th, 2021 under the coordination of Dr. Rohini Sharma, Chairperson, Department of Computer Science & Applications Panjab University, Chandigarh and Dr. Harminder Singh Bains, Director, Panjab University Swami SarvanandGiri Regional Centre, Hoshiarpur.

The webinar started with the welcome address by Dr. Rohini Sharma, Chairperson, DCSA, PU followed by Dr. Harminder Singh Bains, Director, Panjab University Swami SarvanandGiri Regional Centre, Hoshiarpur.

Thechief expert speaker, respected **Dr. Vijay Mago,** Associate Professor and Chairperson Department of Computer Science, Lakehead University, Canada and an Alumnus of DCSA, PU, highlighted the key challenges being faced in the current research projects undertaken in his lab in the field of Artificial Intelligence and Machine Learning. Few research projects going on are estimating future growth and valuation of Art pieces, early treatment of sudden cardiac arrest, design automation and optimization using Artificial Intelligence, Social media analytics, text simplification and many more.

Towards the end,**Dr. Vijay Mago** cleared all the doubts raised and highlighted the scopes of improvements and growth in terms of expanding one's knowledge domain.

The webinar concluded with vote of thanks by Dr. NeeruMago, Coordinator, DCSA, PUSSG RC, Hoshiarpur and Mrs. Anjali Jindia, DCSA.
