Department of Computer Science and Applications,

Panjab University Chandigarh

Two Days Soft Skills Workshop:

Day1: Personality Development and Communication skills

Day2: Resume Writing and Interview skills

DATE: 19-01-2023 & 20-01-2023

Report

The first session was on "Personality Development" by Dr. Maninder Kaur. The session of the speaker evolved around personality and its traits, Types of personalities, Inclusion of body language and gestures, and most important a charming smile. She educated us about 5 factors of personality mental, social, spiritual, emotional, and physical. It was such an interactive session she concluded by stating that it is an ongoing process and by giving some tips on improving one's personality.

Later on, the session was taken over by Mr. Vivek Atray he took the session on "Communication skills" with our students. He talked about the balance of soul, mind, and body. He emphasized meditation and reading. His simple mantra was to express with expression and listen with patience. He educated our students on the factors of communication such as body language, gestures, and speaking skills he awed us all with his charismatic personality.

The second day of the workshop was on the Topic "Resume Writing". It was led by Miss Upasna Luthra and Mr. Rajat. The workshop covered the salient aspects that one should include in their resume, How to make one's Resume stand out, how to work on USP (Unique selling proposition), and to build a network and find opportunities on Linkedin more effectively.

The workshop was concluded with another session on "Interview skills" which was conducted by Mr. Sanjiv Gupta, He emphasized having a positive attitude in an interview and how being organized and presentable leaves an impression on the interviewer, the importance of carrying supplies and later the speaker wrapped up the wonderful session with the idea of conveying your story using the STAR technique. The "Two days Workshop on Personality Development & Soft skills" was full of positivity and lots of learning. Our students had such interactive and valuable sessions with some of the amazing experts in the industry.

Another successful workshop at DCSA, Panjab University.
