Seven days National Workshop (Online)
"Open Source Software Utility to Applied Econometrix and Statistics"
19th - 25th August, 2022

REPORT

The Department of Computer Science and Applications in collaboration with Department of Economics and Department of Statistics organized seven days National Workshop (Online) on "Open Source Software Utility to Applied Econometrics and Statistics" from 19th to 25th August, 2022. The coordinators of the programme were Dr. Rohini Sharma, Chairperson Department of Computer Science and Applications, Dr. Amrita Shergill, Chairperson, Department of Economics, Dr. Anju Goyal, Chairperson Department of Statistics and Dr. Nitin Arora, Assistant Professor, Department of Economics. The programme started with inaugural session on 19th August, 2022 where Prof. Y.P. Verma, Registrar Panjab University graced the occasion as Chief Guest and deliver inaugural address. More than 250 research scholars and students registered for the event. Various sessions on statistics with R studio, Time series, Phython and Statistics with Phython were conducted in the workshop. On the concluding day, an exam consisting of MCQs was conducted to assess the performance of the participants. The workshop concluded with valedictory session where Prof. Upinder Sawhney delivered valedictory address. The workshop concluded with fruitful feedback from the participants.

Chairperson, Department of Computer Science & Applications,

Dr. Anju Goyal
Chairperson, Department of Statistics,

Dr. Nitin Arora
Assistant Professor, Department of Economics
PANJAB UNIVERSITY, CHANDIGARH

ABOUT THE DEPARTMENTS

The Department of Economics continues to be a leading centre for training in Economics in the entire North-West region. This fact has been amply borne out by the success rate of its alumni in various competitive examinations and academic institutes both within the country and abroad. The department is actively engaged in the field of Economic Research as the Department is UGC SAP DRS-II recipient. The research activity in the department can be broadly classified into five following areas: a) Economic Development and Structural Change; b) Public Policy and Governance; c) Money, Trade and Finance; d) Agricultural Economics; e) Industrial Economics.

Department of Statistics came into existence as a separate entity in 1974 though it existed since 1964 as a part of Department of Mathematics. Based on its high quality teaching and research, the department has been getting financial support for its growth under COSIST, FIST and SAP schemes of UGC and DST. It has been awarded the status of DSA (Department under Special Assistance) by UGC.

The Computer Culture at the Panjab University dates back to 1966. An independent Centre for Computer Science and Applications (now a full-fledged department) was set-up in 1983. The department has an excellent placement record. Major recruiters are Infosys, Deloitte, MediaTek, Quark, Sufi, Nagarro, Indus Valley Partners and many more.

WHO CAN ATTEND

Research Scholars & Students

Registration Fee: Nil

Registration through: Google Form link available at https://forms.gle/7AaDEiwb8coMiYn4A

Dates: 19th to 25th August, 2022

Time: 09:30 AM to 04:00 PM
