DEPARTMENT OF COMPUTER SCIENCE AND APPLICATIONS
PANJAB UNIVERSITY, CHANDIGARH

(PROJECT 2025-26)

GENERAL GUIDELINES:

The student, in consultation with his/her Supervisor, identifies the topic of the Project and prepares the detailed project outline/synopsis. The student carries on with the Project Work taking all the prescribed evaluation components on time. At the end of the semester, the student should submit a comprehensive Project Report to the Institute for evaluation. The student will be evaluated on the basis of the various interim evaluation components, contents of the report and the final Seminar/Viva-Voce that will be conducted at DCSA, Panjab University, Chandigarh.

PROJECT WORK EVALUATION SCHEDULE

No	Evaluation Component	Scheduled Last Date for the documents to reach DCSA, PU, Chandigarh
1	Name of Organization & Tentative title of the Project with joining letter	Jan 23, 2026 (Friday)
2	Synopsis as per Appendix	Feb 20, 2026 (Friday)
3	Project Progress Report 1	Mar 13, 2026 (Friday)
4	Project Progress Report 2 & Progress Evaluation Sheet	Apr 30, 2026 (Thursday)
5	Final Project Report Submission	May 15, 2026 (Friday)
6	Project Viva/Presentation	May 20-24, 2026 (Tentative)

**** All the students are required to submit no dues certificate from the University Library and Hostel before appearing in the Viva. (*Not submitting No Dues Certificate in time can lead to delay in final declaration of Sixth Semester result.*)**

GUIDELINES FOR SYNOPSIS:

1. The student must submit the Project Work Outline (Synopsis) containing details of proposed topic of Project Work, objectives, scope of work, background, plan of work, references and particulars of the Supervisor (external and internal) in terms of Name, Qualification, Designation, Employing Organization, and contact information. On the synopsis the signature of supervisor (external and internal) is essential.
2. The student must attach **Project Training Joining letter** in the format given on next page.
3. Final Evaluation will be based on Synopsis, Progress report, final report and Seminar/Viva.
4. Each student will be required to make a presentation for about 10 minutes, **mainly focusing on his/her contribution**, using Microsoft PowerPoint. The presentation will be followed by viva-voice for about 5-10 minutes. Students doing software development projects must be prepared to demonstrate their software product during their presentation.
5. The synopsis shall be sent by email to the internal guide or by post to the:

   Internal Guide,

   Deptt. of Computer Sc. & Applications,

   Panjab University, Chandigarh, Pin code: 160014.
6. The project work is a full time assignment and during this period the student is not allowed to do any job, not related to project.

Sequence of items in the Synopsis

The following sequence of pages shall be followed in the preparation of the Synopsis:

1. Title Page (consisting of Candidates Name, roll number, year/session, name of project, Name of company in which the project is being carried out, internal Guide's name)
2. Certificate from the Supervisor (must be signed by the Company Supervisor)
3. Table of Contents
4. Project Outline (Background, scope of work, plan of work, objectives) This can be of 1-3 pages.
5. Platform to be used
6. References

FORMAT for Project Training Joining Letter

Ms./Mr. _____ (name) of MCA 4th Semester/ M.Sc. (H.S.) Comp. Sc. 4th Semester, Department of Computer Science & Applications, Panjab University, Chandigarh has joined as Project Trainee in the department of _____ in _____ (company name) on _____ (date). She/he has been assigned the project entitled _____ (name of the project). She/he will be working in this organization from _____ (starting date) to _____ (last date) on this project.

PANJAB UNIVERSITY, CHANDIGARH
(PROJECT 2025-26)

GUIDELINES FOR PROGRESS REPORT:

The MCA IVth Semester/ M.Sc. (H.S.) Comp. Sc. IVth Semester students are required to send the **Progress Reports** in the formats given below latest by **13th March, 2026 (First Progress Report) and 30th April, 2026 (Second Progress Report)** to their respective internal guides. The students may email the required documents directly to their respective guides with a copy to chairpersondcsa@pu.ac.in.

FORMAT for Progress Report

The **Progress Report** should have the following contents:

1. Title of the project
2. Goal or Aim of the Project
3. Objectives (Details of what you are going to do to fulfill the goal)
4. Usefulness of project including who are going to use
5. Design with diagrams as required
6. Analysis
7. Tools and Techniques to be used
8. Testing procedures plannedDetails of work done already
9. Plan of work to be done for the next month

The Progress Report should be a document file with 12 point font size for running text and 14 point for headings. It can have 8 to 10 pages.

Note: Mention **Not Applicable** against any item which is not valid in individual project scope.

GUIDELINES FOR FINAL PROJECT REPORT/VIVA:

I Objective of the Project Report:

The objective of the project is to enhance the capabilities of a student in understanding theoretical concepts and applying them for complex problem solving using various state of the art tools and techniques. The project report is thus a reflection of the sincere efforts of the students in 1) understanding the problem/project title, 2) clearly stating the use and applicability of the problem, target group who will be using the project, 3) design, 4) analysis, 5) implementation, 6) testing and 7) discussion of results. The contents of the report must be well organized and to be presented in a simple and structured way. **The Final Project report should be printed (on both sides of the pages) and hard bounded**. The document is to be prepared in MS-Word and needs to contain the following:

i. **Cover page** including Project title, Name of the student, Name of the Department and Names of the Project Guides (both External and Internal).
ii. Certificate mentioning that it is the **original efforts** and work of the student and was neither submitted earlier nor copied from other reports.
iii. Certificates from company and department duly signed by external guide, Chairman and internal guide.
iv. Acknowledgement.
v. Contents with page numbers.

Cover Page:

Title of the Project (in Capital and Bold 14 Point)

A Project report submitted in partial fulfillment of the requirements for the
Award of the degree
MASTER OF COMPUTER APPLICATIONS (Year)/ M.Sc. (HONS SCHOOL) COMPUTER SCIENCE (YEAR)

Department of Computer Science and Applications,
Panjab University, Chandigarh

Submitted By
Name of the Student:
Roll No.
Class
Panjab University, Chandigarh

Submitted to:
Name of the Guide:
Designation:
Department:

Chapter No:	**Title**
1.	**Introduction** Includes the background and importance of the topic, about the topic whether it is purely theoretical or involves some practical aspects and implementation on the computer system
2-4	Chapters 2 to 4 include all related aspects of the topic including details about topic, applications, examples analysis, design etc. (Depends on the topic)
5.	**Practical Application and Implementation** (includes the description of the problem taken for implementation, hardware and software requirements, Tools used, well documented listing and sample input and output with required screens.
6.	Reference (Books, Research Papers, websites etc.)
7.	Appendix (includes brief about the tools used in developing the applications. The tools may be web development tools, multimedia tools, or programming language, or any other licensed/open source software tools.

Note:

1. Each Chapter may have 2 to 4 sections (as 2.1, 2.2 etc.) and sub –section (as 2.1.1, 2.1.2 etc.)
2. The document must be edited well and without syntax and semantic errors.
3. All the pages must be aligned properly.
4. All the pages must be numbered.
5. In reference for books, or Research Papers include author name, Title of the book, publisher, year and edition in the same order.
6. Each Chapter heading must be Centre aligned (No underlining for chapter and section headings).

Detailed Guidelines for Report/presentation of final project of MCA/ M.Sc. (H.S.) Comp. Sc. students

- Softcopy of report and presentation must be submitted to the guide at least a week before the date of presentation
- One hardcopy of the report need be submitted in the library.
- The presentation must be based on part of work performed/contribution of the candidate in a large project rather than the company's complete project
- **The presentation must include the following:**
    - a Title of the project institution where work is performed
    - b Stipend paid to the candidate or fee paid by the candidate or neither stipend nor fee.
    - c Work done independently or jointly (if jointly then with how many co-workers)
    - d Number of hours spent daily in the company/institute/industry
    - e Abstract of the work done that is documented in the report (maximum of one page)
    - f Timeline (specifying work done in each month January to May)
    - g Explanation of the project work performed mentioning the objectives, uses, users of the project, scope and Input-process-output.
    - h High level design and detailed design of the project with relevant diagrams
    - i Hardware, Software, Platform, Tools, and Programming languages used for the development of the project
    - j Brief explanation of project implementation details mentioning the methods used with the help of sample codes
    - k Methods of testing and validation for the project
    - l Discussion of results
    - m Conclusions
    - n References
- The number of slides may be 30-50; but the presentation must be delivered in 10 minutes covering all the above details
- Note: The information with respect to b,c,d may be informed orally.

II The Vice-Chancellor, Panjab University, Chandigarh has made it mandatory, with immediate effect, for each student to observe the following norms while submitting the synopsis/thesis for M.Sc./M.Phil or Ph.D. or any other degree:

(a) Use both sides of the paper instead of only single side.

(b) Use one and half interline spacing in the text (instead of double space)

(c) Stop using a blank sheet before the page, carrying figure or table.

(d) Try to insert figure/table in the text page itself (instead of using a fresh page for it, each time.)

III Students must consult/inform the internal guides regarding the progress of their work **at least once in 20 days**. It is the duty of the student to be in touch with his internal guide. The student must prepare 4 copies of the report including one copy for self. The remaining three copies are to be submitted to:

1. Department Library
2. Internal Guide
3. Company

- If the Project is not up to the mark it may be rejected and student need to improve it and submit within one month and give the viva again.
- The report must be signed by the student, Internal Guide and the Chairperson before submission.
- Project viva will be conducted by an external examiner, internal examiner and the internal guide.

Please Note: Not submitting Final Report and No Dues Certificate well in time can lead to delay in final declaration of Sixth Semester result.
